WHO WE ARE

Founded in 1998 by Mr. Klaus Kook

Employees: >20

Location: Hamburg, Germany

Customers: >200

Suppliers: >5.000

DUNS No : 34-090-0260

ISO 9001 certification

We supply customers all over the world, mainly in Latin America, Asia, USA, and Europe.

Our "Known Consignor" status is a special permit that allows us to expedite customs and freight security processes, ensuring faster delivery times.

HOW WE WORK

We are flexible and committed to going the extra mile to meet your specific needs.

Requests and quote inquiries can be sent by email. If preferred, we're also able to work via online portals.

Our aim is to secure the best market conditions and provide quick responses with solutions tailored to your requirements.

Deliveries can be scheduled individually or combined into consolidated shipments, either with our trusted carriers or those selected by you.

Generous payment terms.

PRODUCT LIST

**For the electric, hydraulic,
mechanical and pneumatic sector**

Item Examples

- | | | | |
|--------------------------------|-----------------------|------------------------|-----------------------|
| • Abrasives | • Encoders | • Measuring systems | • Safety equipment |
| • Batteries | • Energy distribution | • Microprocessors | • Scales |
| • Bearings | • Ex-proof products | • Milling machines | • Screening machines |
| • Belts | • Fans | • Mining equipment | • Seals |
| • Burners | • Filling machines | • Mixers | • Sensors |
| • Bushings | • Filters | • Monitoring equipment | • Signaling equipment |
| • Cables & Accessories | • Fittings | • Motors | • Silo techniques |
| • Chains | • Gaskets | • Nozzles | • Springs |
| • Chemical Components | • Gauges | • Packing machines | • Switches |
| • Compressors | • Greases | • Panels | • Tools |
| • Controls | • Heat exchangers | • Pipes | • Tubes |
| • Couplings | • Hoses | • Propellers | • Turbines |
| • Cranes &
their components | • Magnets | • Pumps | • Vacuum technology |
| | • Manometers | • Rail & road vehicles | • Valves |

If what you are currently looking for is not on this list,
don't hesitate to send us your request.
